# COMFORTABLE **ACCESS** FOR OTHERS

The slimline twin-tube rail leaves plenty of room on the staircase for others to use.

A woman with short blonde hair, wearing a light pink long-sleeved shirt and grey trousers, is sitting on a white curved stairlift. She is smiling and looking towards the camera. The stairlift is positioned on a carpeted staircase with orange-brown steps. The background shows a modern interior with a wooden floor, a wooden side table, and a lamp.

# THE PERFECT FIT FOR ANY HOME

Every part of the Infinity curved stairlift has been designed with you in mind.

# LOVING, LIVING LIFE IN COMFORT

The stitched vinyl chair, compact yet comfortable, has been designed to fit stylishly within your home and be part of the furniture and not the elephant in the room.

With easy to remove seat covers for a better clean, ensures the Infinity will always look its best.
